### *Acknowledgment*

Each Team must elect a Team Captain. The team captain will be a liaison between the team, the gym and Project HOP2E.

I understand that a member of a team, the team must weigh in on the same day at the same time. If a member of the team fails to show up for a weigh-in I understand that a 2lb penalty will be assessed to our team. (There will be an exception for the following circumstances only: Medical Emergency, Death In The Family or work related. With the work related exception you will still be required to weigh in on your scheduled day however you may weigh in without your team. Project HOP2E must be notified on or before the day of your weigh in of a work related exception. On a Medical Emergency or Death In The Family you will be required to notify Project HOP2E. Failure to notify Project HOP2E will result in a 2lb penalty for each member not present during the team weigh-in.

I understand that as a member of a team I cannot participate on any other type of team. But understand that I am still qualified to win in one of the individual groups.

WBOY TV station is looking for individuals to do a story on during this competition. I give permission to WBOY to interview me, videotape me and tell my story on their TV station. \_\_\_\_\_
